Dear Ms Kielich,

Babcock & Brown Power – Request for Suspension of Securities from Quotation

Pursuant to Listing Rule 17.2, Babcock & Brown Power Limited and Babcock & Brown Power Services Limited as responsible entity for Babcock & Brown Power Trust (“BBP”) request an immediate suspension from quotation in respect of its stapled securities (ASX: BBP).

The reason for the suspension is that BBP is a participant in the consortium (“Consortium”) that has made an offer for Alinta Limited (“Alinta”). BBP is aware that Alinta has received a competing offer, and the Consortium is in ongoing discussions with the Alinta Board about a revised offer by the Consortium, but is not yet in a position to provide details of the outcome of those discussions.

It is expected that the suspension will end upon the completion of discussions with the Alinta Board and the announcement of the outcome by BBP. BBP currently expects this to occur, and its stapled securities to recommence normal trading, by 10am on Friday, 11 May 2007.

BBP is not aware of any reason why the suspension from quotation should not be granted or of any other information necessary to inform the market about the suspension.

Yours sincerely,

John Remedios
Company Secretary
