Dear Anthony

Request for voluntary suspension

Pursuant to Listing Rule 17.2, Redbank Energy Limited (ASX: AEJ) (**REL**) requests a voluntary suspension in respect of its shares from the commencement of trading on Wednesday 9 October 2013.

The reason for the voluntary suspension is that, as previously disclosed, on Saturday 5 October 2013 REL's wholly owned subsidiary Redbank Project Pty Ltd (**Redbank Project**) was notified by its secured lenders of the appointment of receivers to Redbank Project, Redbank Construction Pty Ltd, and the shares in Redbank Project held by Redbank Project Holdco Pty Ltd. REL is in the process of seeking an understanding of the impact of the appointments on the Redbank businesses and is attempting to engage with the receivers and lenders in this regard. That process has just commenced and REL is therefore unable to make a further announcement and does not believe it is appropriate for its shares to trade at this time.

REL expects that the suspension will remain in place until the impact of these appointments is fully analysed. REL requests a suspension of two weeks, being until the commencement of trading on 23 October 2013, to complete that process. Prior to that date REL will seek to update the ASX on that process and may then seek a further suspension.

REL is not aware of any reason why its shares should not be suspended or of any other information necessary to inform the market about the suspension.

Yours faithfully
