Dear Ms Kielich,

**Babcock & Brown Power – Request for Trading Halt**

Pursuant to Listing Rule 17.1, Babcock & Brown Power Limited and Babcock & Brown Power Services Limited as responsible entity for Babcock & Brown Power Trust (“BBP”) request an immediate trading halt in respect of its stapled securities (ASX: BBP).

The reason for the trading halt is that BBP is a participant in the consortium (“Consortium”) that has made an offer for Alinta Limited (“Alinta”). BBP is aware that Alinta has received a competing offer, and the Consortium is in discussions with the Alinta Board about a possible revised offer by the Consortium, but is not yet in a position to provide details of the outcome of those discussions.

It is expected that the trading halt will end upon the completion of discussions with the Alinta Board and the announcement of the outcome by BBP. BBP currently expects this to occur, and its stapled securities to recommence normal trading, by 10am on Wednesday, 9 May 2007.

BBP is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely,

**John Remedios**  
Company Secretary  
Babcock & Brown Power
