The Directors, other than Richard Butler (who abstains), recommend that Shareholders vote in favour of this resolution.

For this resolution to be passed, more than 50% of the votes cast by Shareholders entitled to vote on the resolution must be in favour of the resolution.

1.1.4 Resolution 3: Director Re-election

To consider and, if thought fit, to pass the following as an ordinary resolution:

"That Vlad Artamonov, being a Director of REL who retires as a Director by rotation in accordance with rule 7.1(d) of the REL Constitution and, being eligible, offers himself for re-election, is re-elected as a Director of REL."

The Directors, other than Vlad Artamonov (who abstains), recommend that Shareholders vote in favour of this resolution.

For this resolution to be passed, more than 50% of the votes cast by Shareholders entitled to vote on the resolution must be in favour of the resolution.

1.2 Voting Exclusion Statement

1.2.1 Resolution 1

The Corporations Act 2001 (**Act**) restricts members of the key management personnel and their closely related parties from voting in relation to Resolution 1 in certain circumstances.

Key management personnel is defined in the Act as those persons with authority and responsibility for planning, directing and controlling the activities of the entity, being the Directors of REL (**KMP**).

Closely related party is defined in the Act and includes a spouse, dependant and certain other close family members of, as well as any companies controlled by, a member of the KMP.

REL will disregard any votes cast on Resolution 1:

- 1) by or on behalf of a member of the KMP as disclosed in the Remuneration Report;
- 2) by or on behalf of a closely related party of those KMP; and
- 3) as an undirected proxy by a member of the KMP or a KMP's closely related party.

However, a vote will not be disregarded if:

- 1) it is cast as a proxy for a person entitled to vote on Resolution 1 in accordance with a direction on the Proxy Form; or
- 2) it is cast by the Chairman of the Meeting as a proxy for a person entitled to vote pursuant to an express authority to exercise the proxy.

Note: See section 1.3.3 for further information regarding the appointment of a member of the KMP as your proxy.

1.3 Notes

1.3.1 Entitlement to vote

For the purposes of the Meeting, Shares will be taken to be held by those persons who are registered as Shareholders at 7.00pm (Sydney time) on Wednesday, 20 November 2013 and the entitlement of Shareholders to vote at the Meeting will be determined by reference to that time.

Accordingly, Share transfers registered after that time will be disregarded in determining any entitlement to attend and vote at the Meeting.

1.3.2 Voting in person

Individuals

If you plan to attend the Meeting in person, we ask you to arrive at the venue at least 30 minutes before the time designated for the start of the Meeting. This gives time for us to note your attendance and to check the value of your Shares against REL's Registry (which forms the basis of determining the number of votes you are able to exercise at the Meeting).

Joint holders

A joint Shareholder may vote at the Meeting either personally or by proxy, attorney or representative as if that person was the sole holder. If more than one joint Shareholder tenders a vote in respect of the relevant Shares, the vote of the Shareholder named first in the register who tenders a vote, whether in person or by proxy, attorney or representative, will be accepted to the exclusion of the vote of the other joint Shareholder.

Corporations

To vote at the Meeting, a Shareholder that is a corporation must appoint an individual to act as its representative, whether through a corporate representative, an attorney or a proxy.

Where an attorney or corporate representative is appointed, the attorney or corporate representative should bring evidence to the Meeting of his or her appointment, including any authority under which it is signed. In the case of an appointment of a corporate representative, a form of "Certificate of Appointment of Corporate Representative" may be obtained from REL's Registry (see contact details below).

Alternatively, a corporation may appoint a proxy to vote on its behalf at the Meeting (see 1.3.3 below).

1.3.3 Voting by proxy

If you do not plan to attend the Meeting in person, you are encouraged to complete and return the Proxy Form which accompanies this Notice of Meeting. The Proxy Form is expressed to appoint a proxy for the Meeting, and for any adjournment or postponement of the Meeting.

Any Shareholder entitled to attend and vote at the Meeting is entitled to appoint one or two proxies. A proxy need not be a Shareholder of REL. If two proxies are appointed, the Shareholder may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the Shareholder's voting rights.

If you wish to appoint one proxy, please use the form provided. If you wish to appoint two proxies, then you may either copy the form provided or contact REL's Registry by telephoning +61 1800 260 668 to obtain an additional Proxy Form.

If the proxy appointment is executed under a power of attorney, the original authority under which the appointment was signed or a certified copy of the authority must be received by REL's Registry by the same time as the Proxy Form (i.e. at least 48 hours before the Meeting).

Proxy voting instructions are provided on the Proxy Form. You are encouraged to direct your proxy how to vote on each resolution.

If you return a Proxy Form but do not nominate a representative, the Chairman of the Meeting will be your proxy and will vote on your behalf. If your nominated representative does not attend the Meeting then your proxy will revert to the Chairman of the Meeting. Where the Chairman of the Meeting is appointed (or taken to be appointed by default) as your proxy, but the appointment does not specify the way to vote on a Resolution, then the Chairman intends to vote all available proxies in favour of all Resolutions.

A member of REL's KMP (being each of the REL Directors) will not be able to vote on Resolution 1 (Remuneration Report) unless you tell them how to vote. If you intend to appoint a member of REL's KMP as your proxy, please ensure that you direct them on how to vote on Resolution 1 by marking one of the voting boxes on the Proxy Form.

If you intend to appoint the Chairman of the Meeting as your proxy, you can direct him how to vote in the usual way. If you do not direct him how to vote, by submitting the Proxy Form, you expressly authorise him to exercise the proxy in respect of Resolution 1 even though it is connected to KMP remuneration.

If:

- a poll is duly demanded at the Meeting in relation to a proposed resolution; and
- a Shareholder has appointed a proxy (other than the Chairman) and the appointment of the proxy specifies the way the proxy is to vote on the resolution; and
- that Shareholder's proxy is either not recorded as attending the Meeting or does not vote on the resolution,

the Chairman of the Meeting will, before voting on the resolution closes, be taken to have been appointed as the proxy for the Shareholder for the purposes of voting on that resolution and must vote in accordance with the written direction of the Shareholder.

The Proxy Form contains further information on voting by proxy.

To be valid, your Proxy Form must be sent to REL's Registry, Link Market Services and be received at least **48 hours** before the time notified for the Meeting; that is, by 11.00am Sydney time on **Wednesday, 20 November 2013**:

Section 2: Explanatory Memorandum

Introduction

This Explanatory Memorandum is intended to provide Shareholders with information to assess the merits of the proposed Resolutions contained in the accompanying Notice of Meeting.

The Directors recommend that Shareholders read the Explanatory Memorandum in full before making any decision on how to vote on the Resolutions.

Ordinary Business

2.1 Items of Business

2.1.1 Presentation of the Financial Report

REL has distributed its 2013 Annual Report to Shareholders. The consolidated financial report, as well as the Directors' and Auditor's reports, are included within the Annual Report. The 2013 Annual Report is available at REL's website www.redbankenergy.com

Shareholders are not required to vote on the consolidated financial report and the Directors' and Auditor's reports. However, a reasonable opportunity for Shareholders to ask questions about or discuss the financial and other reports and the management of REL will be provided at the Meeting.

A reasonable opportunity will also be given to Shareholders to ask the REL Auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's report, the accounting principles adopted by REL in relation to the preparation of the financial statements and the independence of the Auditor in relation to the conduct of the audit.

2.1.2 Resolution 1: To adopt the Remuneration Report

Shareholders are asked to consider and adopt the Remuneration Report of REL by way of a resolution which is advisory only and does not bind the Board. Notwithstanding that the resolution is non-binding on REL, the REL Directors will take into account the discussion on this resolution and the outcome of the vote when considering future remuneration arrangements.

The Remuneration Report is set out in the 2013 Annual Report and is also available from REL's website www.redbankenergy.com

A reasonable opportunity to ask questions about, discuss or make comments on the Remuneration Report will be provided at the Meeting.

The REL Directors consider that the nature and level of the remuneration paid to REL's KMP (i.e. the REL Directors), as disclosed in the Remuneration Report, is fair and reasonable. The level of fees paid to the REL Directors was subject to a review by an independent remuneration consultant and was also approved by the REL Board. The aggregate fees paid to REL Directors during the 2013 financial year falls within the limits of the shareholder approved directors' fee pool.

The Directors recommend that Shareholders vote in favour of adopting the Remuneration Report.

The Chairman of the Meeting intends to exercise all available proxies in favour of Resolution 1.

2.1.3 Resolution 2: Director Re-election of Richard Butler

Richard Butler retires as a Director by rotation in accordance with rule 7.1(d) of the Constitution and, being eligible, offers himself for re-election as a Director. Richard was originally appointed to the REL Board on 13 July 2011.

Richard currently works as a consultant in the areas of finance and the law. Prior to commencing his consultancy business, Richard worked as a commercial barrister in New South Wales. Richard holds degrees in Economics and Law (Hons) from the University of Sydney.

Richard was appointed as the Chairman of the Redbank Energy Board on 12 August 2011, and is focused on working with the other members of the REL Board to maximise value for all shareholders.

It is noted that Richard Butler last retired as a Director of REL and was then elected at REL's 2011 AGM. Richard is offering himself for re-election at the 2013 AGM as a consequence of the operation of the REL Constitution (which requires that a proportion of the Directors retire by rotation at each AGM) and the limited number of Directors on the Board of REL. That is, the REL Constitution provides that where REL has 5 Directors or less, then at least 2 Directors must retire from office each year and face re-election at the AGM. Given that REL currently has 4 Directors on its Board, then at least 2 Directors of REL must face re-election each year (insofar as the composition of the Board remains the same).

Richard is currently a Shareholder of REL and has the power to control the voting rights and disposal of 26,000 ordinary shares (representing 3.31% of issued equity).

Richard Butler abstains from recommending Resolution 2 due to his interest in the resolution. The other Directors recommend that Shareholders vote in favour of this resolution.

The Chairman of the Meeting intends to vote all available proxies in favour of Resolution 2. However, it is noted that Richard Butler does not propose to chair the meeting in relation to voting on this particular resolution, given his personal interest in Resolution 2.

2.1.4 Resolution 3: Director Re-election of Vlad Artamonov

Vlad Artamonov retires as a Director by rotation in accordance with rule 7.1(d) of the Constitution and, being eligible, offers himself for re-election as a Director. Vlad was originally appointed to the REL Board on 12 August 2011.

Vlad Artamonov is a Managing Partner at Coastal Investment Management, L.P. Prior to founding Coastal, Vlad was an analyst at Greenlight Capital in New York, a multi-billion dollar value-oriented investment firm. At Greenlight, Vlad was responsible for originating and researching numerous investment ideas that resulted in substantial investments by Greenlight. During his tenure, Vlad spent a considerable amount of time analysing financials, energy and power, chemicals, logistics, consumer products, and technology companies globally. Previously, Vlad worked at Merrill Lynch as a member of the investment banking team advising USA and international companies on acquisitions, divestments, strategic minority investments, joint ventures and leveraged buyouts. Vlad graduated magna cum laude with a B.S.E. from the Wharton School at the University of Pennsylvania and with an M.B.A. from the Harvard Business School. Vlad is also a Director of Coastal Capital International, Ltd., which is Redbank Energy's largest shareholder.

It is noted that Vlad Artamonov last retired as a Director of REL and was then elected at REL's 2011 AGM. Like Richard Butler, Vlad is offering himself for re-election at the 2013 AGM as a consequence of the operation of the REL Constitution and the limited number of Directors on the Board of REL.

Vlad is also a Director of Coastal Capital International, Ltd., which currently holds 141,274 ordinary shares in REL (representing 17.97% of issued equity). In this capacity, Vlad (along with his Coastal co-director, Todd Plutsky) has the power to control the voting rights and disposal of this 17.97% equity holding.

Vlad Artamonov abstains from recommending Resolution 3 due to his interest in the resolution. The other Directors recommend that Shareholders vote in favour of this resolution.

The Chairman of the Meeting intends to vote all available proxies in favour of Resolution 3.
