

ASX Release

2 May 2013

UPDATE ON LODGEMENT OF INTERIM FINANCIAL REPORT

Further to the announcement by Redbank Energy Limited (ASX:AEJ) on 15 April 2013, Redbank Energy advises that it expects the audit of its financial accounts to be completed by the end of next week.

Redbank Energy anticipates that it will then be in a position to lodge with the ASX its Interim Financial Report for the Half Year ended 31 December 2012 on or about 14 May 2013.

Redbank Energy expects that its securities will be reinstated to Official Quotation after lodgement of the necessary documents.

As previously announced, Redbank Energy was required to delay the finalisation and release of its Interim Financial Report pending receipt of the award in its arbitration dispute with Ausgrid, causing its securities to be suspended from Official Quotation on 1 March 2013.
